

notes that are worth 5 rupins each. If I add these notes together:

4 x 10-rupin notes = 40.00 rupins

and 4 x 5-rupin notes = 20.00 rupins.

This gives me 60 rupins altogether!’

‘Yes, yes,’ said the Lizard Queen as she clapped her hands in the air with excitement, ‘that’s exactly right!’

Will then shook the coins from the pay envelope and they landed on the stone floor of the Brown Palace. This is how the Ozimoth money looked.
